FOR THE SAFETY OF EXHIBITORS AND DOGS:

CATCHER MUST BE IN PLACE BEFORE DOG IS RELEASED

ELECTRONIC TIMER IS USED

RUN AREA IS FULLY FENCED

CONTINUOUS LOOP EQUIPMENT IS USED

ALL DOGS RUN AT OWNERS SOLE RISK

NO RECALL FROM STARTLINE

EVENT DAY PROCEDURES

Each dog will be inspected by the Inspection Committee for lameness, fitness to compete, and females in season. All dogs to be inspected must be presented without tape, bandages, or wrapping/coverings of any kind (coats, blankets, etc.). If, in the opinion of the inspection committee, a dog is found to be lame, unfit to compete, or in season, the dog will not be allowed to test, and the applicable entry fees will be refunded.

All entrants will assemble in a designated location. At this time, test procedures will be explained, and any questions answered.

Dogs will be brought to the start line on leash and released only upon a verbal signal ("Tally-Ho!") from the Huntmaster. Dogs may be released by hand, folded leash, or using a traditional lure coursing slip lead.

Dogs may run with or without a collar for safety reasons. Unacceptable collars are choker collar, prong collar, Martingale collar, or electronic collar. Tags, bandanas, or other similar items are not allowed for safety reasons. Owners may use clips or rubber bands to hold the dog's hair. The owner assumes responsibility for the safety of the dog regarding the dog's collar and paraphernalia on the dog. Electronic training collars or pinch/prong collars are NOT allowed on AKC test grounds.

FAST CAT

The Fast CAT is a timed straight race of 100 yards where a dog chases a lure. Dogs run singularly and earn points based on their handicapped speed. There are no placements. Titles are issued at designated benchmarks. The dog's time to complete the 100-yard dash is converted into MPH. Dogs earn points based on their handicapped speed.

A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- 18" or greater = handicap is 1.0
- 12" up to less than 18" = handicap is 1.5
- Below 12" = handicap is 2.0

Points = MPH multiplied by the dog's handicap

Fast CAT titles suffix titles are earned at designated milestones:

- BCAT = 150 points
- DCAT = 500 points
- FCAT = 1,000 points
- FCAT# = every additional 500 points

The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed.

MISCELLANEOUS

- Open to all dogs at least 12 months of age that are individually registered/listed with the AKC. This includes dogs recorded in the FSS program, dogs with PAL numbers or dogs enrolled in the AKC Canine Partners program. (An event number defines an event.)
- **Safety:** Safety is of utmost importance. It is the responsibility of the event committee to ensure the safety of the course, the equipment, and the conduct of those involved with the event.
- **The Start:** Dogs may start up to 10 feet behind the starting line.
- **The Finish:** The club must provide enough room for a safe run-out area. It is recommended that an owner or someone familiar with the dog stand at the finish to catch the dog once the course has been completed. BKC provides a minimum of 50 yard run off but if Greyhounds or Borzois are pre-registered, then we do a 75-yard run - off to allow these breeds time to slow and come to a stop.
- **Lure Equipment:** Battery-powered, continuous loop equipment will be used. Lures consist of white plastic bags. Electronic break-the-beam timing system will be used with manual timing as a backup for equipment failure and rainy weather.

- For the safety of the dog and as a courtesy to other entrants, a testing dog should have a reliable recall. A penalty of **\$20.00** may be assessed for any dog causing an excessive delay of the event because it cannot be recalled or retrieved from the field. Dogs that delay the event because their owners cannot recall them may be refused entry at future events.
- You will be charged \$5.00 if you do not pick up after your dog.
- These events will be run concurrently. Dogs that have not yet run will have priority over dogs that will be running for the second test.
- BKC will break periodically to accommodate workers and allow for lunch.
- Event is held in rain-or-shine - outdoor event. Please plan accordingly.
- Dogs should be walked prior to running to warm them up and again after their run to cool them down.
- The handler may NOT run down the course to entice the dog to run or use toys/treats to get the dog to run. They CAN call their dog from the catch area. Handlers may carry toys or treats on their persons to assist with retrieving their dogs at the completion of their run. Please review the published AKC rules pertaining to Fast CAT.
- Dogs must be on lead or crated unless running.
- Handlers should wear comfortable shoes and be physically able to hold and release their dogs, as well as catch them.
- Lure coursing is a physically demanding sport so please make sure your dog is in good shape. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded.
- Any person, upon reasonable complaint, may be asked to leave the grounds of the test by the Field Committee and may be disciplined by the AKC. Children must always be under control of their parents or guardian(s).
- Each dog/per event requires an entry form.
- Late, incomplete, unsigned, unpaid, or conditional entries, or entries not containing the "Agreement" found on the Official AKC Entry Form will not be accepted.
- Mixed breeds must be spayed or neutered to be eligible to run. AKC registered dogs with breed disqualifications may be entered.
- Run area is fully fenced.
- **No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives.**

- **No refunds for pre-entry fees unless the entered dog upon inspection is lame, unfit to compete, or in season.**
- A return check fee of **\$40.00** will be assessed for any check(s) returned for insufficient funds.
